

**NAME**

archive\_write\_new — functions for creating archives

**LIBRARY**

Streaming Archive Library (libarchive, -larchive)

**SYNOPSIS**

```
#include <archive.h>

struct archive *
archive_write_new(void);
```

**DESCRIPTION**

Allocates and initializes a struct archive object suitable for writing a tar archive. `NULL` is returned on error.

A complete description of the struct archive object can be found in the overview manual page for *libarchive(3)*.
