email:dafx@sci.univr.it

Call for papers

The Dipartimento Scientifico e Tecnologico of the University of Verona organizes the International Conference on Digital Audio Effects, DAFx-00, in Verona, Italy, 7-9 December, 2000. The Conference is sponsored by the Action-G6 "Digital Audio Effects" of the European COST program, and supported by the University of Verona, the Conservatory of Verona and by AIMI (Ass. Informatica Musicale Italiana).

DAFx-00 is an international meeting of researchers in theoretical and applied digital sound and music signal processing including topics like:

- Filtering and Modulation;
- Delay;
- Time and Frequency Scaling;
- Spatialisation;
- Spectral Processing;
- Audio Coding;
- Software and Hardware Implementation;
- Sound Modeling;
- Perceptual Issues.

DAFx-00 will present sound models, examples, software and hardware applications of interest to musicians, computer scientists, engineers and other.

Organizing Committee:

Davide Rocchesso , Universita' di Verona (Chairman)
Nicola Bernardini , Conservatorio di Padova (Music program director)
Giovanni De Poli , Universita' di Padova
Marco Materassi , Conservatorio di Verona

Important deadlines:

- Submission of an Extended Abstract (2 pages): June 15, 2000
- Notification of acceptance: September 15, 2000
- Paper submission: October 15, 2000

*The Duchess in Alice's Adventures in Wonderland

Abstract submission

We invite submissions of papers in all aspects of digital audio effects as mentioned above. There are two formats for presentation:

- Oral presentation of paper:
  Maximum 6 pages in the Proceedings; about 20 minutes for presentation.
- Poster presentation:
  Maximum 4 pages in the Proceedings.

The following items should be included in the submission:

- Author names and electronic contact information, corresponding author first.
- Contact information for corresponding author: Address, e-mail, phone, fax.
- Preferable submission type. Choose one of: Paper, Tutorial or Poster.
- Title of paper.
- Keywords and content area.
- Resources for presentation (CD, DAT, video, etc.)

The official language is English. All submissions are subject to peer review. The accepted contributions will be published in the Conference Proceedings.

Authors may e-mail an attachment containing a *text*, *postscript* or *pdf* version of their submission directly to the address **dafx@sci.univr.it**, or post a floppy disk to the Conference Chairman:

Davide Rocchesso
Dipartimento Scientifico e Tecnologico
Universita' degli Studi di Verona
Strada Le Grazie, 15
37134 Verona - Italy

We will acknowledge your submission by return e-mail or post. For more details, see the **submission guidelines** at `http://www.sci.univr.it/~dafx`.

All other correspondance (registration, travel, accommodation etc.) should be sent to the Conference Secretariat.
