

Chart::Base

```
classDiagram
    Chart::Bars --|> Chart::Base
```

A UML class diagram illustrating inheritance. The top class is 'Chart::Base', represented by a white rectangle with a black border. The bottom class is 'Chart::Bars', represented by a gray rectangle with a black border. A solid blue arrow points from the bottom of 'Chart::Bars' to the bottom of 'Chart::Base', indicating that 'Chart::Bars' inherits from 'Chart::Base'.

Chart::Bars
