LU.SE FTP Common data base at Lund University

Address: Lund University Computing Center
Attn: Bengt-Erik Bengtsson
Box 783
S-22007 Lund, Sweden
E-Mail: Bengt-Erik.Bengtsson@LDC.lu.se
Phone: +46-46-107467

Description

The database contains information (program and data) such as:

- FTP sites
- Graphics
- Macintosh
- Networking
- References

This is the place to find mailing systems developed by Lund University Computing Center:

- MacPost - Mail system for Macintoshes
- PCpost - Mail system for MS-DOS systems (via Novell)

Network Access

Via TCP/IP Anonymous FTP to ftp.lu.se (130.235.132.89).

Who Can Use the Resource

No restrictions.

Miscellaneous Information

SUNET Gopher

Address: SUNET/KTH
S-100 44 Stockholm
Sweden
E-Mail: gopher-info@sunic.sunet.se
Phone: +46-8-7906518

Description

Minnesota Internet Gopher server at sunic.sunet.se with links to gopher servers in the Nordic countries, Europe and the US. The service is at present considered as a test service. Telnet to sunic.sunet.se or via X.29 24037101045. Login as “gopher”, no password.

Network Access

See above.

Who Can Use the Resource

No restrictions.

Miscellaneous Information

FUNET Archie

Address:	FUNET c/o VTKK PO Box 40 SF-02101 Espoo Finland
E-Mail:	archie-info@nic.funet.fi
Phone:	+358-0-4572005

Description

Archie is a database of files stored in the Anonymous FTP archives across the Internet.

Network Access

Telnet to archie.funet.fi and login as “archie”. No password is required.
The preferred way to use archie is to use the Prospero-Archie interface and the Archie clients available from different sources. Archie clients are available via anonymous ftp at nic.funet.fi:/pub/unix/databases/archie. For X window users xarchie is recommended.

Who Can Use the Resource

No restrictions.

Miscellaneous Information

Foobar.
